MAYTAG TOP LOAD WASHER

Dependability is what the Maytag top load washer is all about. The chip-resistant porcelain-enamel top and lid, and coated steel base and cabinet are not only good looking but rust and corrosion resistant. The washer even stands proud on adjustable legs. The inner and outer tubs are impervious to detergent and bleach, as well as being abrasion resistant, and purpose designed rubber hoses and seals ensure a long and trouble free life.

Computer Trac Controls, select the cycle with one touch and the digital display counts down the minutes remaining until the end of the cycle.

Features

7kg top loader

Maximum 30 minute cycle

Freestanding

Boiler Fed

6 wash cycles

13 amp electrical supply

Computer controls

Benefits to customer
