[iPod shuffle: "a perfect stocking stuffer"](#)

"The second-generation iPod shuffle is impressively small," writes Mike Kobrin for PC Magazine, "and the built-in clip makes it ideal for working out, running, or just casual listening."

[Apple Announces New 8GB Model of iPod nano \(PRODUCT\) RED Special Edition](#)

In response to outstanding customer demand, Apple today announced a new 8GB model of the iPod nano (PRODUCT) RED Special Edition. The new model holds up to 2,000 songs and is available for \$249, joining the 4GB model priced at \$199. Apple will contribute \$10 from the sale of each iPod nano (PRODUCT) RED to the Global Fund to help fight HIV/AIDS in Africa.

[Roger O'Donnell: One Man, One Instrument](#)

As keyboardist for The Psychedelic Furs, The Thompson Twins, and The Cure, Roger O'Donnell helped define the sound of the '80s. And now with his first solo effort, his creative floodgates have truly opened.

[Macs Join the Masai Tribe](#)

A new school in the Masai village of Oloolaimutia in East Africa runs day and night now, even though the majestic tribe lives without electricity or running water in its nearby compound of mud houses. More than 400 children attend the school, which uses solar panels to provide light and deliver power to three
